ANT-RAGGING CELL

The Anti-Ragging Cell is a dedicated body established within our institution to ensure a safe, supportive, and inclusive environment for all students. Recognizing the detrimental effects of ragging on the mental and physical well-being of individuals, our Anti-Ragging Cell is committed to eradicating this menace through vigilant monitoring, stringent enforcement of anti-ragging policies, and comprehensive awareness programs.

The cell operates in alignment with the guidelines provided by regulatory authorities, fostering a zero tolerance stance towards any form of ragging. By promoting a culture of respect, empathy, and mutual understanding, the Anti-Ragging Cell aims to safeguard the rights and dignity of every student, ensuring a harmonious and conducive atmosphere for academic and personal growth. Through proactive measures, timely intervention, and a robust support system, the Anti-Ragging Cell plays a pivotal role in upholding the values of our institution and securing the well-being of our student community.
