SC/ST CELL

The SC/ST Cell is an essential component of our institution, dedicated to supporting the academic and personal development of students belonging to Scheduled Castes (SC) and Scheduled Tribes (ST). Established with the objective of promoting social justice and equality, the SC/ST Cell works tirelessly to ensure that students from these communities have access to the resources, opportunities, and support they need to succeed.

Our SC/ST Cell focuses on addressing the unique challenges faced by SC/ST students by providing guidance, mentorship, and various welfare measures. It serves as a bridge between the administration and the students, ensuring that the rights and privileges provided by government policies and institutional frameworks are effectively implemented. Through regular workshops, counselling sessions, and awareness programs, the cell aims to create an inclusive and empowering environment that fosters academic excellence and holistic development.

By advocating for the needs and concerns of SC/ST students, the SC/ST Cell plays a crucial role in promoting diversity, equity, and inclusion within our institution. Its efforts are directed towards creating a supportive and nurturing atmosphere where every student, irrespective of their background, can thrive and achieve their full potential.
