WOMEN CELL

The Women's Cell is a dedicated platform in our college that strives to promote gender equality, empower women, and foster a supportive environment for all female students, faculty, and staff. Our mission is to create a safe, inclusive, and enabling space where women can share their concerns, aspirations, and achievements.

Objectives

1. Promote gender sensitivity and awareness
2. Support women's empowerment through training and workshops
3. Address harassment and discrimination issues
4. Foster networking and mentorship opportunities
5. Celebrate women's achievements and contributions
